

NAME OUR CHEESE!

Mt. Townsend Creamery, maker of award winning cheese, is looking for name suggestions for its newest cheese, which will be launched this Spring.

- Names will be evaluated based on how well they characterize the qualities of the cheese and tie into the imagery of Mt. Townsend Creamery's existing products. For inspiration, samples can be tasted at the creamery Tuesday–Saturday from 11 am to 6 pm.
- Aside from all the fame and glory, if your suggestion is selected, you will receive a \$150 gift certificate to the creamery store.
